Description

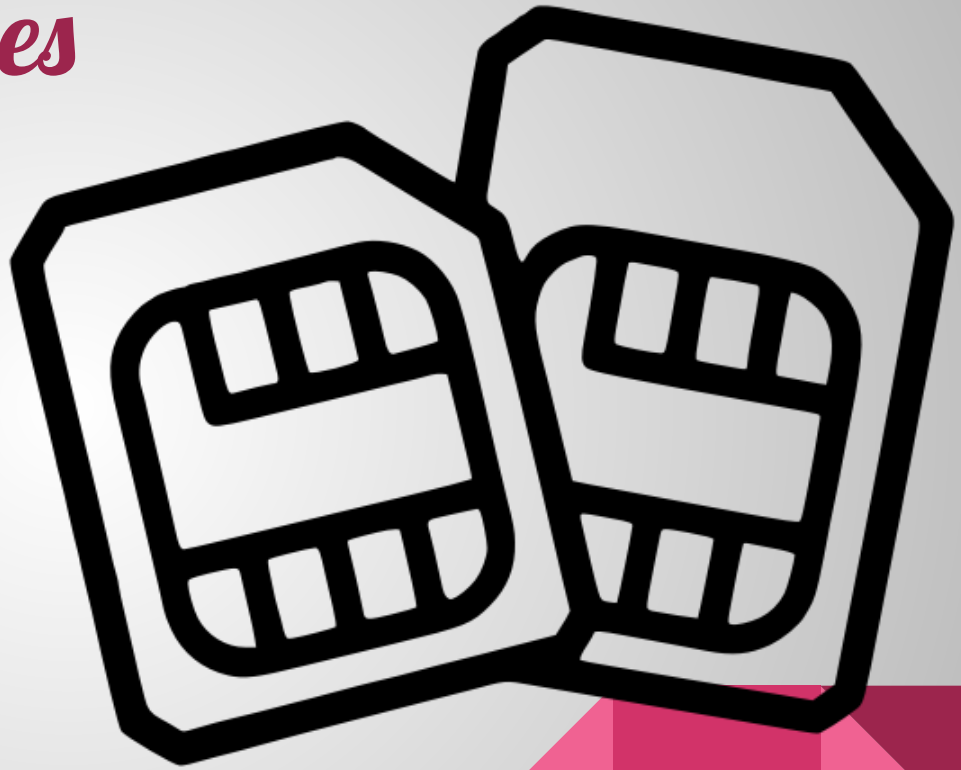
- *B&B is an app that facilitates college students to book their hostel rooms.*
- *This app will provide the complete details of the hostel room.*
- *Through B&B App, it will be easier for the students to have a complete overview of the room beforehand.*
- *Students can choose their room based on ratings and other features.*

Our Features

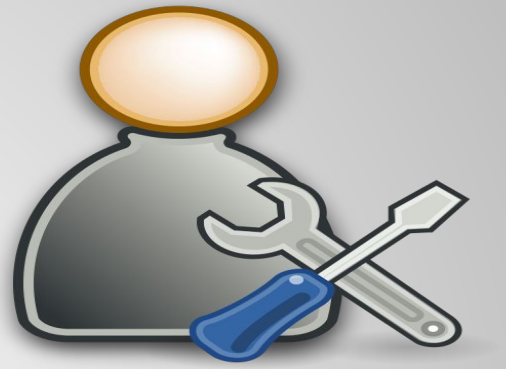
- ★ Room Type
- ★ Room facility
- ★ Room Rent
- ★ Food Type and Rate
- ★ Location

Modules

- Admin module
- Hostel owner module
- Student module



1. ADMIN module



- Will have the provision to control and monitor the activities of both students and hostel owners.
- Validation of hostel owners is done by the admin.
